

2025 APPLICATIONS NOW OPEN

Kamoa Copper S.A. supports a facility of higher education, the Kamoa Centre of Excellence (KCE). The KCE is located between the Kamoa-Kakula operations and the town of Kolwezi, on the DRC Copperbelt.

The KCE is proud to announce the offering of bursaries to a select group of talented and promising students. These bursaries will support enrolment in a specialized one-year curriculum program developed in collaboration with Enterprises University of Pretoria.

Classes are scheduled to begin on 1 September 2025 and will be conducted in person at the KCE facilities.

Selection Process:

Applications will be screened and shortlisted based on the qualifying criteria, which include the highest marks submitted for mathematics, science, and English.

Shortlisted applicants will be **required to undergo a telephone or in-person interview.**

Shortlisted applicants must attend a bursary award function at the KCE (approximately June 2025) in person, where they will take a pre-test and complete other assessments.

The KCE curriculum program will commence on **1 September 2025** and conclude in **July 2026.**

Attendance in person is mandatory for all classes; virtual attendance is not permitted.

Only shortlisted applicants will be contacted for the next steps in the selection process. If you do not hear from us, please understand that you have not been shortlisted.

DISCLAIMERS

The KCE reserves the right to decide, at its sole discretion, whether an applicant is admitted to the KCE and receives a bursary. The submission of an application does not guarantee admission or the award of a bursary.

Admission to the KCE, the granting of a bursary, and/or the successful completion of courses offered by the KCE do not guarantee admission to any courses at the University of Pretoria or future employment at Kamoa Copper S.A.

By applying, the candidate authorizes the affiliated companies of Kamoa Holding Limited, as well as any other person acting with their authorization, to collect, record, process, store, and transmit to any third party any information and personal data concerning the candidate for 10 years, for the application process or for data archiving purposes.

Incomplete and late bursary applications will be rejected.

The KCE will select a limited group of deserving students. Bursaries will be awarded at the sole discretion of the KCE.
